Exceptional course offer

Consider which courses are right for you...

- Do I enjoy the subject?
- Am I predicted to achieve well in the subject at GCSE?
- Does the subject support my progression plans?
- Do my subject choices work well together?

Choose the right course for you

We offer four different 'Pathways' here at HNC, and which Pathway you choose will depend on your predicted grades, preferred learning style and your progression plans

Choose the right course for you

A Level Pathway

This Pathway is 3 A Level subjects

Entry Requirements:

- 4 GCSEs at grade 5
- 2 GCSEs at grade 4 including English Language and Maths

Blended Pathway Option 1

As well as meeting our entry criteria for our Pathways, you'll also need to meet our other expectations:

- 95%+ attendance
- A good school report
- **Plus** any subject specific entry criteria

Additional Entry Criteria

Alice Moffat

"Chemistry is both practical and theory based and is an incredible experience. You work in a professional environment in the labs and the support is great. Exam papers, booklets and revision resources are always available to help you get the best grades. Despite there being some challenging topics, the teaching and support means there are definite opportunities to excel. I've also had amazing support from the Careers team and my Progress Tutor."

Studied:
A Level Chemistry
A Level Business
Criminology

Destination:
Degree Apprenticeship at Astrazeneca in partnership with MMU

Mongiwethu Ndlovu

"During my studies I was surrounded by so many new people, who all shared my interest and passion for the subject. One of my favourite parts about studying Law was how you learn about the real life application of it – it is a subject which affects everyone! I've developed so many skills which will help me both at university and in my work in the future. There's some great experiences on offer too, I've visited multiple criminal courts to experience live trials which really supported my learning."

Studied:
A Level Law
A Level Economics
A Level Business Studies

Destination:
Law LLB at the University of Nottingham
