HOLMFIRTH HIGH SCHOOL

GCSE Revision Schedule 2026- PUPIL VERSION

HOLMFIRTH HIGH SCHOOL

Exam Preparation Information

You must attend all compulsory revision sessions.

You should attend as many period 6 and 8am sessions as possible. These sessions are optional sessions but we strongly encourage you to attend. This includes an 8am session before each morning exam.

You must attend all lessons as normal unless you are required to attend a compulsory revision session (yellow). If you have a revision session you should attend this revision session promptly. If you have an afternoon exam, you will have an early lunch during period 4. You are not on study leave and are not allowed to leave the school site without advance permission.

Where you have an exam in the morning, you must return to their period 2 lesson.

All revision sessions will take place in normal classrooms unless stated otherwise. Your teachers will tell you which venue to go to where classes are being split/ shared. Please check your timetable carefully and speak to your teacher if you are unsure about anything.

After the 9th June, you will only be expected to come in for timetabled revision sessions as per the plan in this document. If you are having lunch in school after this date, Prospect House will be closed and you will have to use the main canteen.

A copy of this will be outside Prospect House each day

Please note that for Science revision, you may be with a different teacher or your group may be split. Check the plan carefully and if you are still unsure, speak to your teacher.

There are also some English revision periods where you may have a different teacher to your usual English teacher, again please carefully check the plan and ask if you are unsure.
